Sharlena Rowe Nakamarra, known professionally as Sally Rowe Nakamarra was born in Mparntwe/Alice Springs in 1986. She is the daughter of Papunya Tula artist Bundi Rowe Tjupurrula and Nancy Young Napanangka. Sally grew up and went to school in Walungurru (Kintore) and began painting for Papunya Tula around 2022. She learned to paint by watching her grandparents Wintjiya Napaltjarri and Toba Tjakamarra paint in the Papunya Tula Artists studio as a small child.

Sally usually paints the site Pinari and the associated Tjukurrpa (Dreaming Stories) which she has custodial rights to through her grandmother.
