Charlie Wallabi was born circa 1945 near a soakage in country south west of Nyinmi near Jupiter Well in Western Australia. At the time of his first contact he was travelling with his brother. Helicopter Tjungurrayi near the Canning Stock Route. They were met by a survey team flying a helicopter. At the time Helicopter Tjungurrayi was ill and was taken to Balgo. Charlie was unwilling to travel with them and instead walked in to Balgo. In 1999 Charlie contributed to the Kiwirrkura mens' painting for the Western Desert Dialysis Appeal.
